Cut-In-Place Appliqué Instructions

1. Hoop your fabric and backing.
2. Sew the pattern/placement. **PHOTO 1**
3. Place a piece of appliqué fabric over the pattern/placement so that it is completely covered.
4. Sew the trim stitch/tackdown.
5. Carefully cut away the excess appliqué fabric. **PHOTO 2**
6. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 3**

General Freestanding Lace Guidelines

Supplies:

Embroidery Thread:

- Use the same embroidery thread in the bobbin as the needle.

Needles:

- Use an Organ 80/12 Titanium needle for extended needle life.

Stabilizer:

- Use water-soluble stabilizer or film water-soluble stabilizer.

Handy Hints:

For Stiffer Lace:

- DO NOT rinse away all of the stabilizer for a “stiffer” lace. Note that the thread may appear a shade darker if stabilizer is not removed completely.
- If you happen to wash too much out, easily re-stiffen by diluting some stabilizer scraps in water and dipping the item in the solution.

For Very Soft Lace:

- Cut away excess stabilizer. Remove remaining stabilizer by rinsing under warm running water until all traces of the stabilizer are gone. **Note:** If lace should become too limp to work with, dissolve stabilizer scraps in warm water and apply to the lace.

Drying Lace:

- The lace looks best when left to dry completely. Lay lace piece with right side down to dry. This will minimize the tendency for the lace to curl. Be sure to flatten the piece out entirely and allow ample time to dry.

General Instructions

1. Hoop two layers of water-soluble stabilizer.
2. Attach the hoop to the machine and select the design of your choice.
3. Stitch the design.
4. Remove the hoop from the machine and the design from the hoop. Trim excess stabilizer from the design.
5. Rinse away remaining stabilizer and allow it to dry.

Handy Hints:

For 3D Lace Projects:

- If item becomes too limp to work with, iron the appliqué pieces on the wrong side while applying spray starch. After ironing, spray again with starch and allow to dry completely. This will stiffen the lace pieces nicely and aid in construction.
- A pair of tweezers, hemostats, stiletto or a tiny crochet hook can be extremely helpful when inserting the buttonettes into the eyelets. (Please see **Diagram 1** for explanation of “buttonette” and “eyelet”.)
- Insert the tip of the tweezers, hemostats or crochet hook into the eyelet, grasp the buttonette and pull through the eyelet. Or a stiletto could be used to push the buttonette through the eyelet.

Freestanding Square Lantern 1

Instructions

Square Lantern – Summary

Requires 4 Square sides:

- Square Lantern Side 2 FSA – 12549-05

Requires Bottom – choose from:

- Square Lantern Bottom FSL – 12549-07
- or Square Lantern Top A FSL – 12549-11 and Square Lantern Top B FSL – 12549-12

Requires Top –

- Square Lantern Top A FSL – 12549-11 and Square Lantern Top B FSL – 12549-12

Supplies

- Embroidery thread
- Organza fabric for appliqué
- Mesh wash away stabilizer
- LED tea light
- Embroidery machine
- Alligator clamps, tweezers, hemostats, stiletto or a tiny crochet hook

Follow the *General Freestanding Lace Guidelines* and *Cut-in-Place Appliqué Instructions* and stitch the required pieces as listed in the summary above for the style and shape of your lantern.

Build Square Lantern

Sides

- Attach a square side to another square side by inserting the four buttonettes along the left side into the four eyelets on the right side. **PHOTO 1**
- Repeat this process with the remaining square sides to form a square.

Bottom

- For the Square Lantern Bottom FSL (12549-07) connect it to all sides by inserting the side buttonettes into the eyelets of the bottom. **PHOTO 2**
- For the Square Lantern Top A & B then follow the instructions below.

Top

- For the Square Lantern Top A & B as the bottom or the top, follow these instructions:
 - Attach Square Lantern Top A to Square Lantern Top B by inserting the buttonettes into the eyelets. The smaller pieces attach square and the larger open pieces attach on point. **PHOTO 3**
 - Attach the Top A/B to the bottom or top by inserting the buttonettes along the top side pieces into the eyelets of the Top A/B. **PHOTO 4**
- Your Square Lantern is complete.
