LLAMA PONCHO

There will be no drama when you make this sew simple poncho to showcase your favorite llama.

The poncho is one size that will fit a child (age 6-10). Easily modify it by making the initial square pieces larger or smaller.

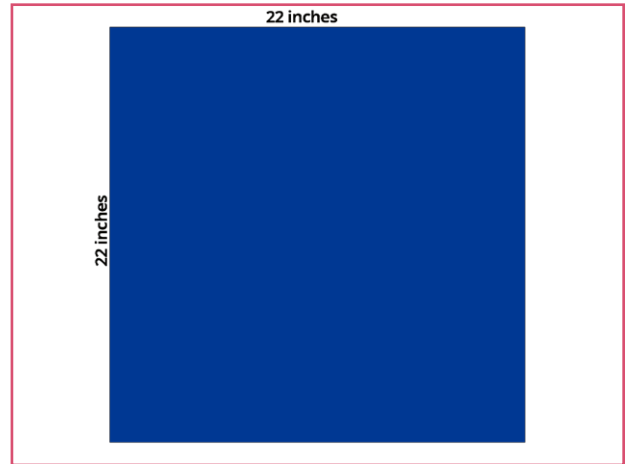

INSTRUCTIONS

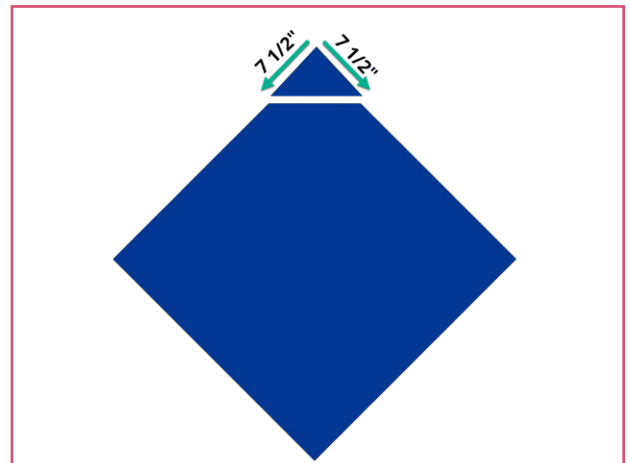

STEP 1

- Cut Fleece into 2 squares measuring 22" x 22".

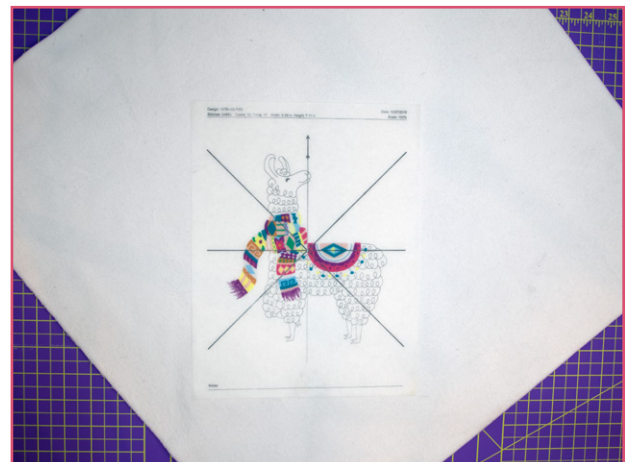

STEP 2

- Measure 7 ½" down from 2 corners and cut corners off both pieces of fleece using your marks. This will be your neck opening.

STEP 3

- Print Llama design on StabilStick Template sheet using your embroidery software. Peel off paper backing and position template on front piece of poncho.

INSTRUCTIONS

STEP 4

- Hoop StabilStick CutAway paper side up. Score paper and remove to expose sticky surface.

STEP 5

- Finger press the fabric in place.

STEP 6

- Align template under needle on machine to get design centered perfectly. Remove StabilStick Template sheet before embroidering.

INSTRUCTIONS

STEP 7

- Place Stitch20 Topper over embroidery area and use OESD Expert Embroidery Tape TearAway and/or use the baste function on your machine to attach topper onto fabric to prevent shifting. Embroider design with Organ Ball Point Embroidery Needle.

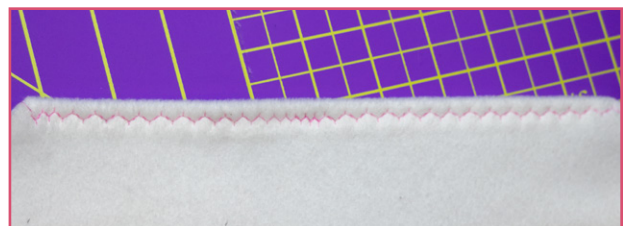

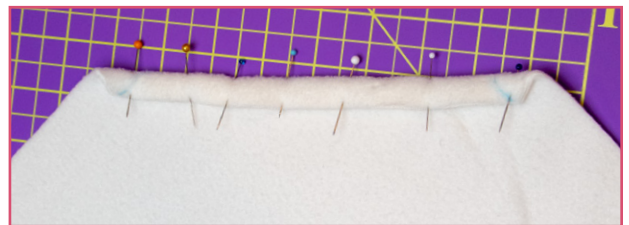

STEP 8

- Cut away stabilizer from back of design $\frac{1}{4}$ " to $\frac{1}{2}$ " from the design.
- TearAway excess Stitch20 topper and wet any areas that you cannot tear to remove all topper.

STEP 9

- Pin edge of neckline $\frac{1}{2}$ ". Fold over once since fleece will not fray.
- Use a dual feed or a walking foot (if available) to stitch in place.
- This is a great time to try out some decorative stitches on your machine.

INSTRUCTIONS

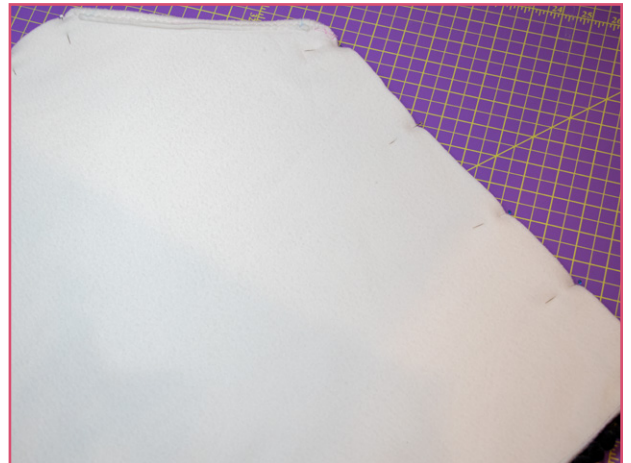

STEP 10

- Pin and sew ball fringe to bottom sections of both front and back squares of fleece.

STEP 11

- With right sides together, pin and sew side seams from neckline to bottom sides. Use a 1/2" seam allowance.

STEP 12

- Turn right side out. The poncho is complete!
