INSTRUCTIONS

STEP 1

- Go out and buy a table runner of your choice

STEP 2

- Apply one piece of the Fusible Woven horizontally 2" from each end of the table runner.

STEP 3

- Hoop a piece of Ultra Clean and Tear Plus with the paper side up.

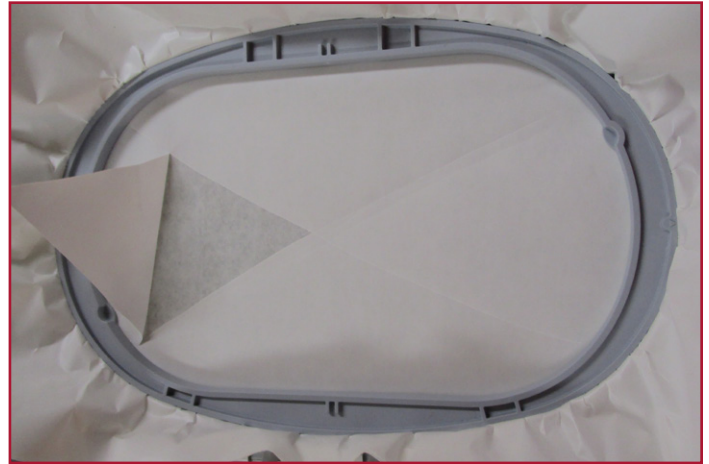

INSTRUCTIONS

STEP 4

- Score the paper with Loop and Tail Wand, pin, or stylus. Remove paper from the hooping area to expose the sticky surface.
- Locate the center of the Fusible Woven by folding in half lengthwise and widthwise. Use the center creases to position the table runner in the hoop using method of choice: hoop template, reference marks on the edge of the hoop, etc.

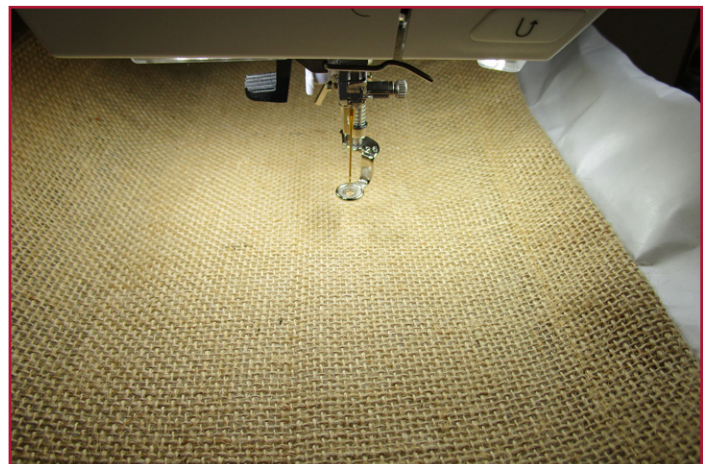

STEP 5

- Finger press the table runner to secure in place.

STEP 6

- Place the hoop on the machine.

INSTRUCTIONS

STEP 7

- Select design for stitching: Branches with Hanging Ornaments: 12793-20
- Size as needed to fill the width of the table runner. For this project, the design was increased proportionally from 100% to 120%.

STEP 8

- Place one piece of the Heat2Go Topping in place and secure in place with TearAway Tape.

STEP 9

- Follow the thread chart to embroider the design on the background fabric and begin embroidering the design. *Check the placement before stitching the entire design.
- Remove the hoop from the machine when the design is complete.

INSTRUCTIONS

STEP 10

- Carefully tear away the stabilizer from the design following the manufacturer directions.
- Trim the Fusible Woven to within 1/4" from the design on the backside.
- Remove the Heat2Go Topper following manufacturer instructions.

STEP 11

- Repeat steps 1-5 on the other end.

STEP 12

- Place on table and enjoy or continue adding motifs from the collection until the desired look is achieved.
