JUMBO US TRAVEL MAP

Inspiration

1 Try it four ways!

Harness the power of SVG files, heat transfer vinyl, and your preferred cutting machine to craft vibrant state cut-outs, capturing the essence of your explorations!

2

Use the templates provided to meticulously cut out states from fabric or our smooth Luxe Sparkle vinyl, and with our Fuse and Seal, create a charming patchwork quilt aesthetic or a sparkly state map!

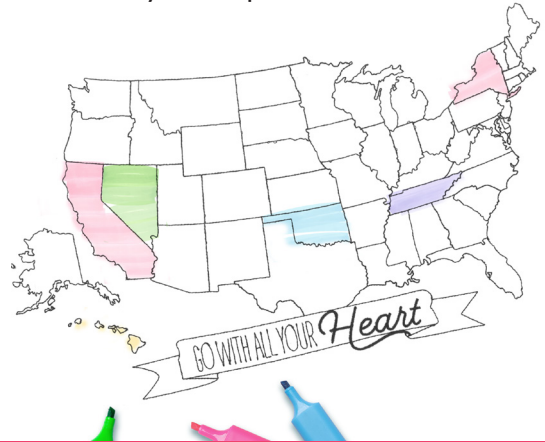

3

Craft a personalized touch by delicately hand-stitching with embroidery floss to highlight the state you've traversed!

4

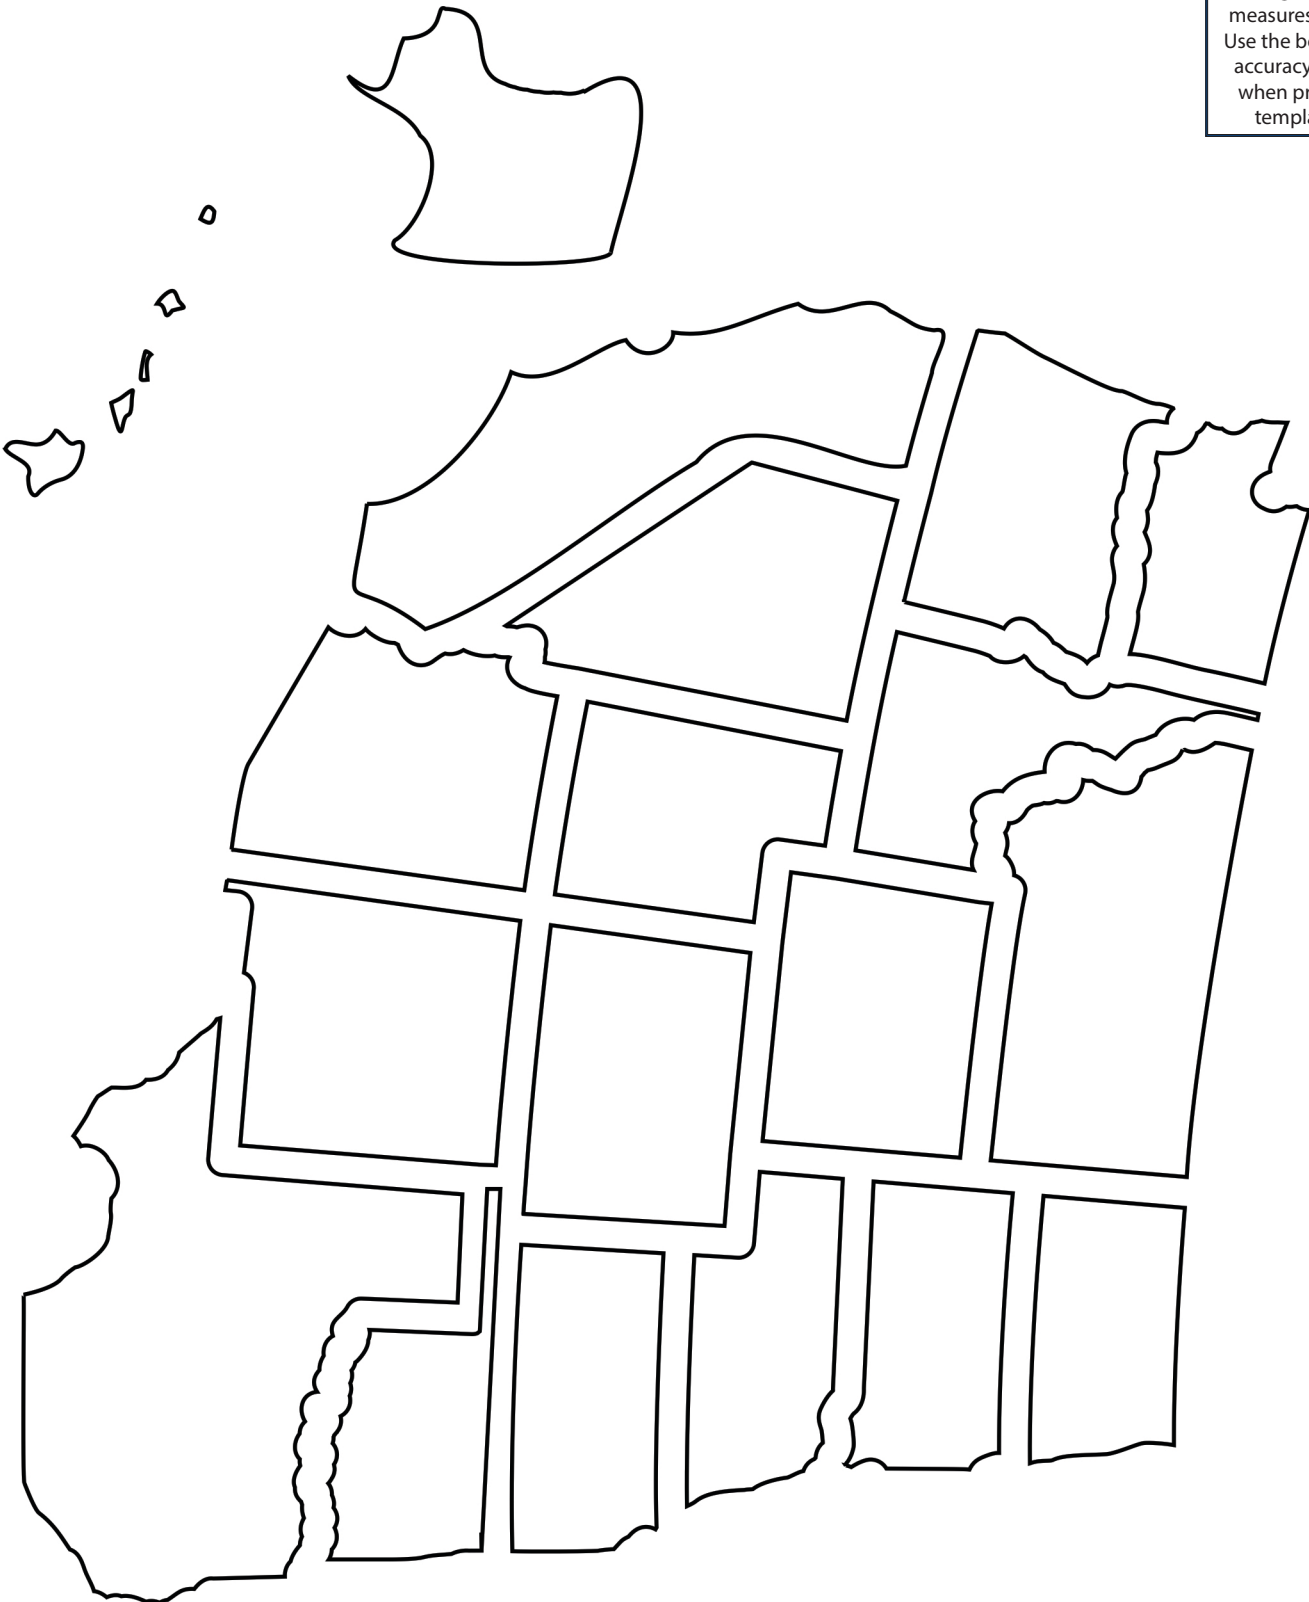

Enhance your map with a burst of color by employing fabric markers each time you explore a new state!
