COLLECTION SUPPLIES

OESD™

Stabilizers

- OESD Medium Weight TearAway
- OESD Fusible Woven White
- OESD Fuse and Seal

Fabrics/Textiles

- Start Here Embroidery Blanks by OESD – Greeting Card size A7 (5" x 7") folded
- Applique Fabric – 6" x 8"

Notions & Tools

- OESD Expert Embroidery Tape TearAway
- OESD Hoop Applique Scissors 4"

Isacord Thread Colors

- 1902 Red

EMBROIDERY

STEP 1

- (2) A7 5" x 7" cards
- Cut one card in half on the fold.
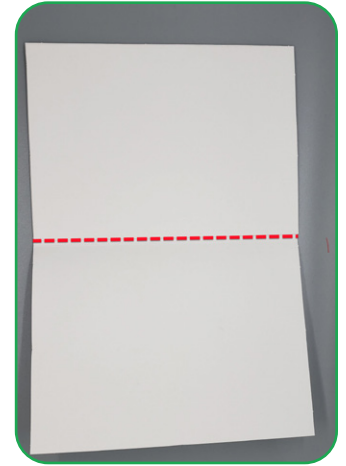

STEP 2

- Build the design in software or on the machine.
- First load design 32078-03, the card position and background applique.
- Then load design 32078-10, the card message.
- Then add the redwork design, HD724, the Be Mine Heart.
- TIP: The order in which the designs are added determines the stitching sequence.

STEP 3

- Fuse the Fusible Woven White to the back of the applique fabric with a medium high heat (depending on the fabric). Since Fusible Woven is a permanent fuse, it will keep the fabric from fraying.

EMBROIDERY

STEP 4

- Thread the machine with red thread.
- Hoop 1 layer of OESD Medium Weight TearAway.
- Stitch Machine Step 1, Card Placement Line.
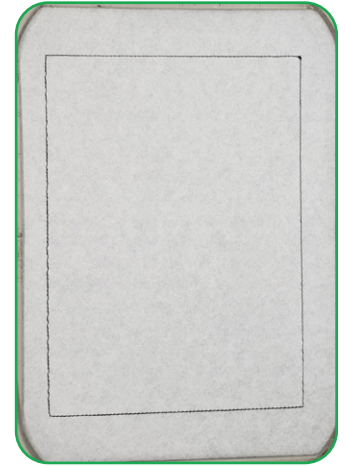

STEP 5

- Place 5" x 7" half of the A7 card within the Card Placement Line, lining up all edges.
- Tape to secure.

STEP 6

- Stitch Machine Step 2, Applique Placement Line.
- Remove the hoop from the machine, but NOT the project from the hoop.

EMBROIDERY
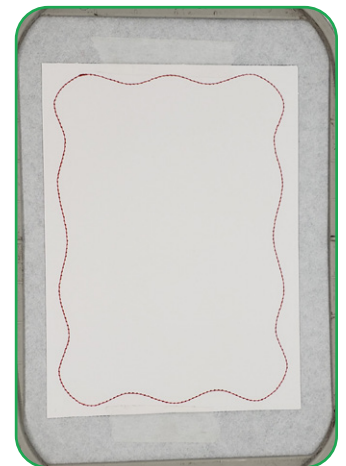

STEP 7

- Cover the placement line with the applique fabric.
- Tape in place to secure.
- Return the hoop to the machine.

STEP 8

- Stitch Machine Step 3, the Cut Line and Tackdown.
- Remove the hoop from the machine, but NOT the project from the hoop.
- Set on a flat surface. Trim the excess fabric close to the stitching.

STEP 9

- Return the hooped project to the machine.
- Stitch the remaining steps of the design.

EMBROIDERY

OESD™

STEP 10

- Remove the card and stabilizer from the hoop.
- Place the card face down and fold the stabilizer towards the card.
- Carefully cut the stabilizer away, close to the stitching.
- Note: Even though the stabilizer is a tear away, it is better to cut the stabilizer away from the card to prevent bending or creasing the cardstock.

STEP 11

- Cut 1 piece of Fuse and Seal slightly smaller than the size of the card.
- With a medium warm iron, fuse to the back of the embroidered card.
- Once cool, remove the paper backing.

STEP 12

- Place the embroidered cardstock over the front of the A7 card and fuse with a medium warm iron.
- The back of the embroidery is now hidden, and the card is complete!

OESD™
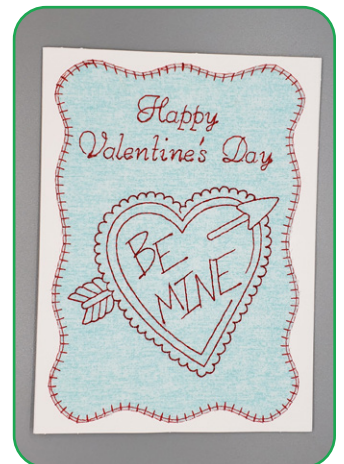

ATTENTION

When printing this document, any page scaling or page fitting options in your print dialog box must be turned OFF or set to NONE so that your files will print out at their actual size. Images not printed at actual size will not function as intended.
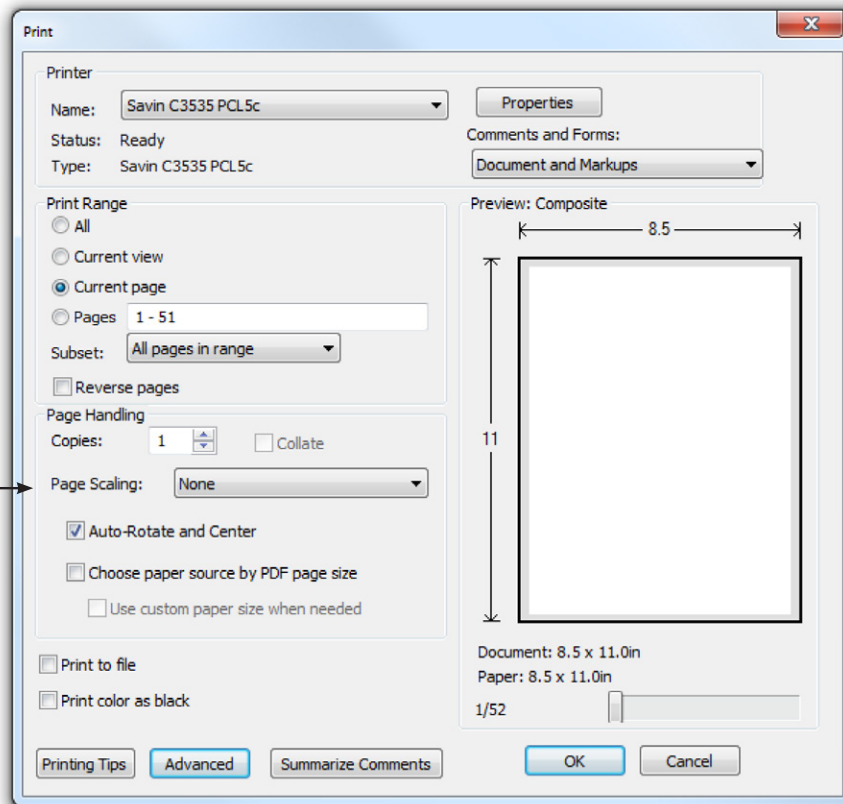

TO SAVE PAPER

Only print the desired image by navigating to the image's page,
go to File > Print and select "Current page" in the print dialog
box. Repeat for each desired image.
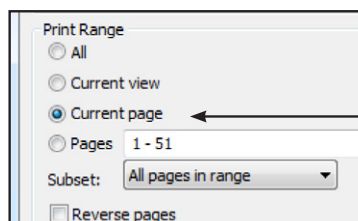

Print at 100%. No scaling. This box measures 1" x 1". Use the box as an accuracy guide when printing templates.
