Supplies

- OESD Embroidery Collection #80042
Family Alphabet by Krista Hamrick
- Medium weight tear-away stabilizer
- 1 ½ yard of gold background fabric to become the quilt “blocks”
- 1 yard of fabric for quilt backing
- ¼ yard green fabric for sashing
- cut into nine strips measuring 1" x width of fabric
- ½ yard fabric for border
- cut into three strips measuring 3 ½" x width of fabric
- ½ yard fabric for binding or 3 ½ yards of pre-made binding
- ⅛ yard or scraps of several fabrics for the appliqué design pieces
- 30" x 40" batting
- Temporary spray adhesive

Embroider & Prepare Blocks

- Spray two hoop-sized pieces of medium weight tear-away stabilizer with temporary spray adhesive and apply to each other and to the wrong side of a hoop-sized piece of background fabric. Hoop the background fabric and stabilizer together.
- Place the hoop on the machine and stitch the first embroidery design. The final color on each design is notated on the thread chart as “Seam Stitch”. This color change should be stitched in a thread color that will blend with the background fabric used for each design.
- Remove the hoop from the machine and the fabric from the hoop.
- Carefully trim all jump threads and gently remove excess stabilizer following the manufacturer’s instructions.
- Repeat for all 27 embroidery files, applying appliqué fabric where required. (Refer to appliqué instructions if needed.)
- Turn each block over and trim to ¼" outside the seam stitch. **PHOTO 1**

Finishing

- Sew the 3 1/2" border strips to the top and bottom of the quilt center then to the sides of the quilt.
- Place backing fabric right side down. Stack batting on wrong side of backing fabric and stack the quilt top down last, right side up. You may wish to use temporary spray adhesive when layering quilt to hold the layers in place.
- Pin layers together and quilt as desired. We simply stitched in the ditch in our sample.
- Trim batting and backing to the same size as the quilt top.
- Bind the quilt edges using your favorite method.
