1312 Burnt Orange	2900 Deep Purple		

Cut-in-Place Appliqué Instructions

1. Hoop your fabric and backing.
2. Sew the placement stitch. **PHOTO 1**
3. Place a piece of appliqué fabric over the placement stitch so that it is completely covered.
4. Sew the cut line & tackdown.
5. Carefully cut away the excess appliqué fabric. **PHOTO 2**
6. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 3**

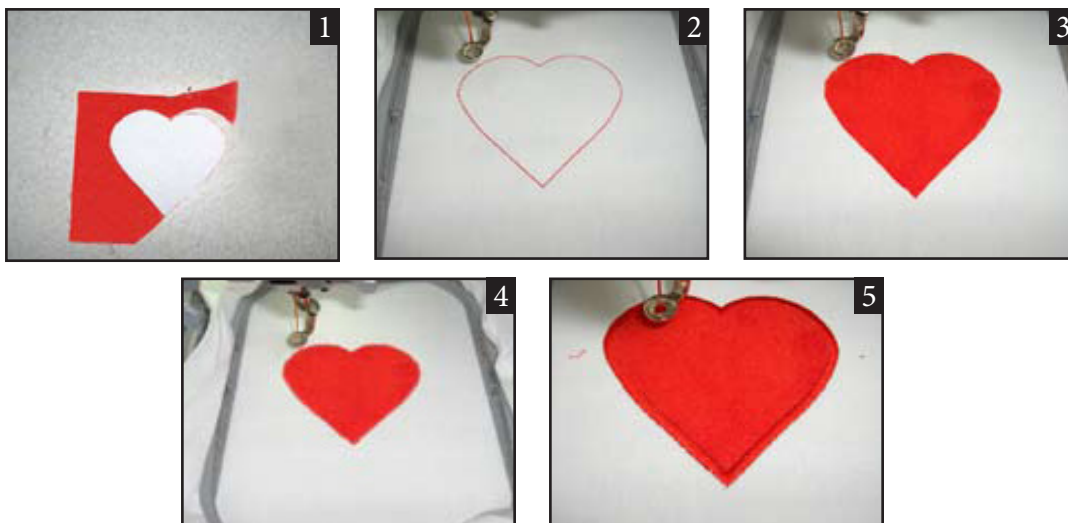

Pre-Cut Appliqué Instructions

1. Print out the necessary pages from the PDF of the appliqué pattern(s).
2. Mark the right side of the pattern pieces so you'll know which direction to lay the pattern on the fabric.
3. Lightly spray the wrong side of the pattern pieces with temporary adhesive spray and allow it to set for a few minutes.
4. Place the pattern pieces on the right side of the fabric and carefully cut them out. **PHOTO 1**
5. Sew the placement stitch on your hooped fabric. **PHOTO 2**
6. With the paper still stuck to the right side of the appliqué fabric, spray the wrong side of the fabric with temporary spray adhesive.
7. Place the fabric inside the placement stitch, so that it completely covers the placement stitch and then remove the paper pattern. **PHOTO 3**
8. Sew the tackdown. **PHOTO 4**
9. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 5**

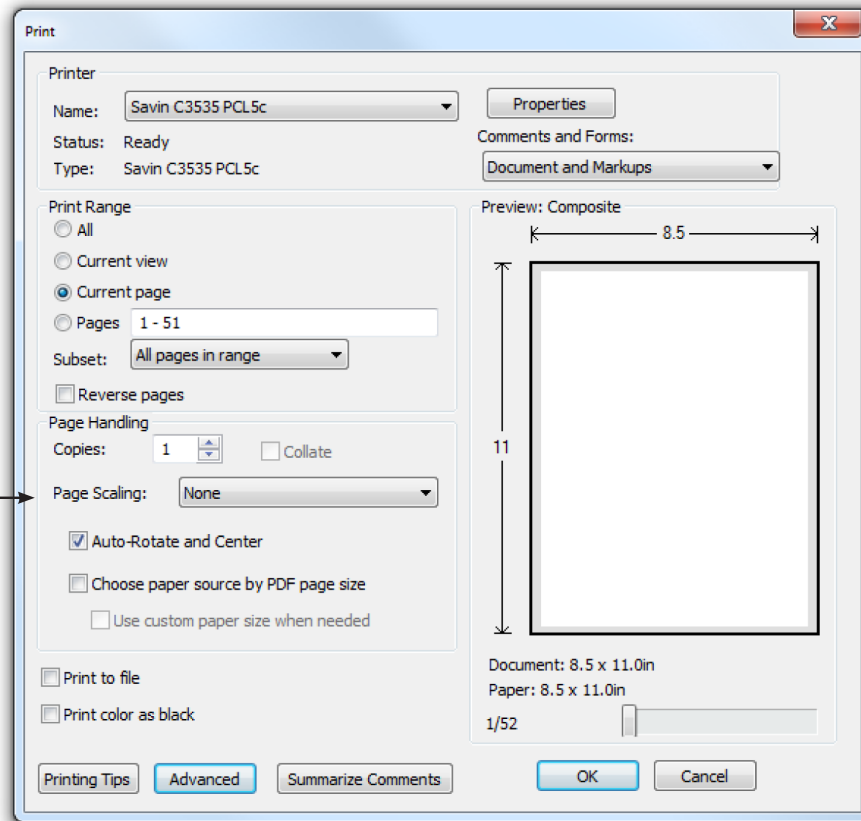

NOTE: The patterns are sized for the designs as they were made. If you resize the design, you will need to resize the pattern the same amount. You can print out the pattern at the normal size then copy it on a copy machine at the changed size. For example, resize the designs to 80%, resize the printed pattern to 80%.

TIP: When Printing the patterns, make sure that the “Fit to page” option is **UNCHECKED** in the Print Dialog Box. If this option is checked the printed patterns will not be actual size.

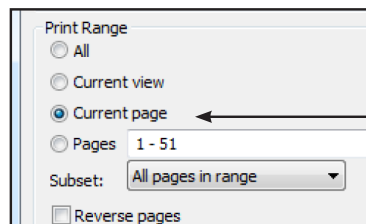

ATTENTION

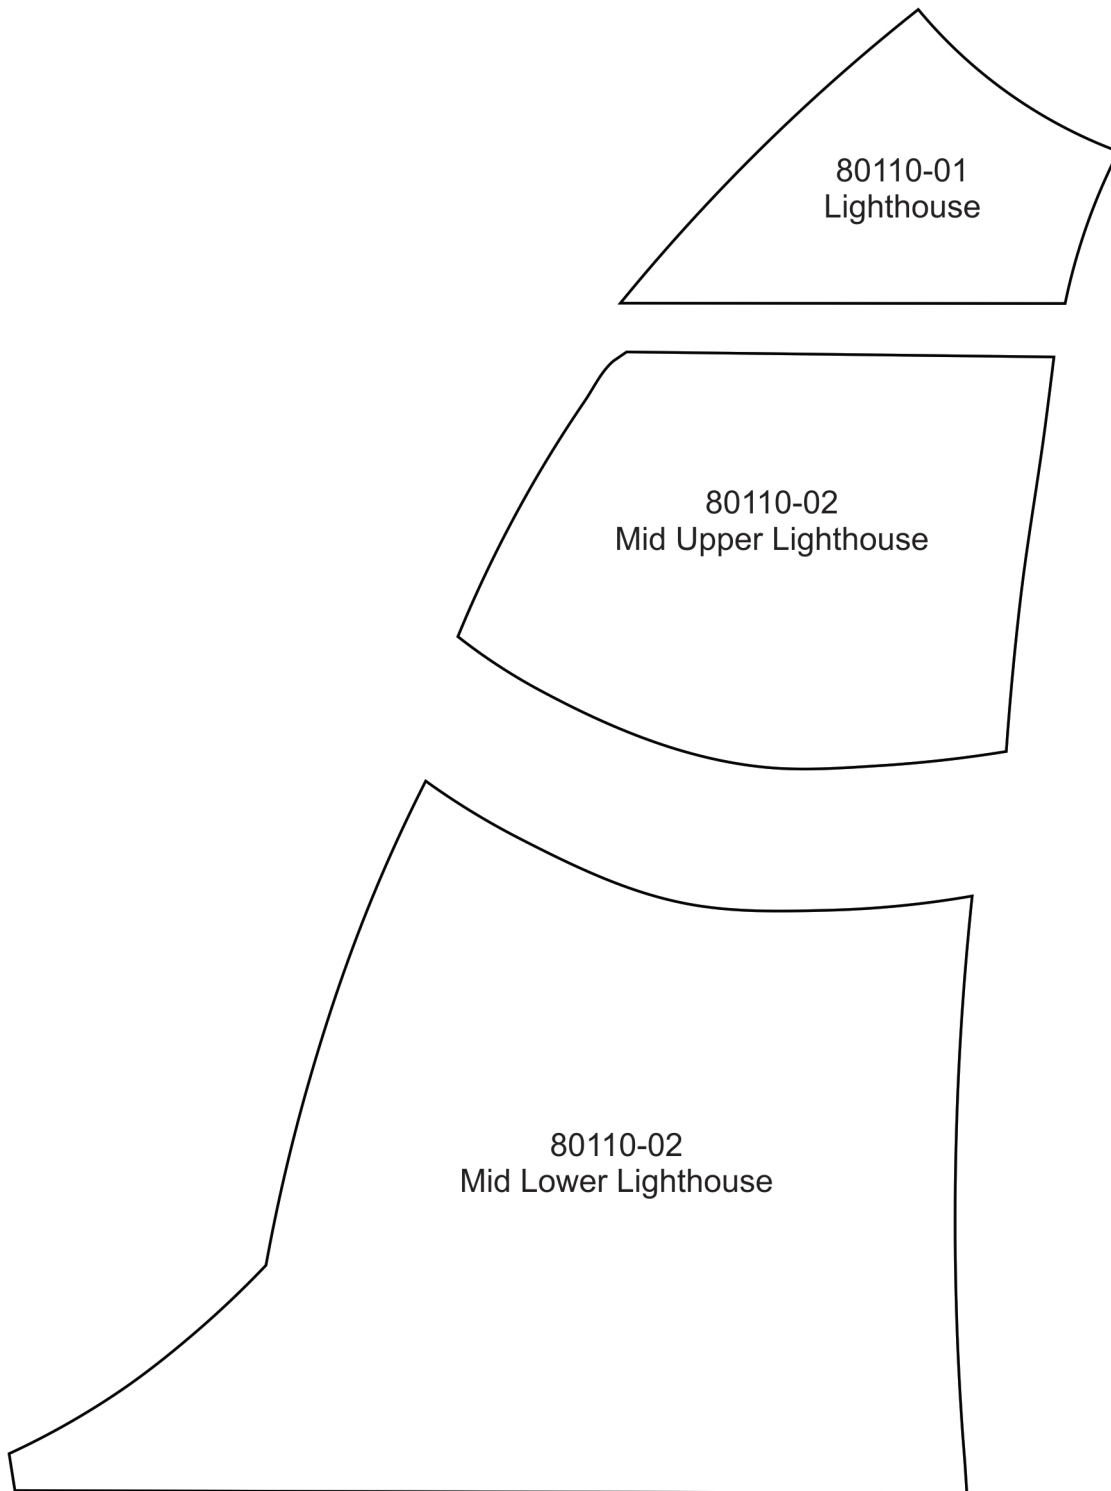

When printing this document, any page scaling or page fitting options in your print dialog box must be turned OFF or set to NONE so that your files will print out at their actual size. Images not printed at actual size will not function as intended.

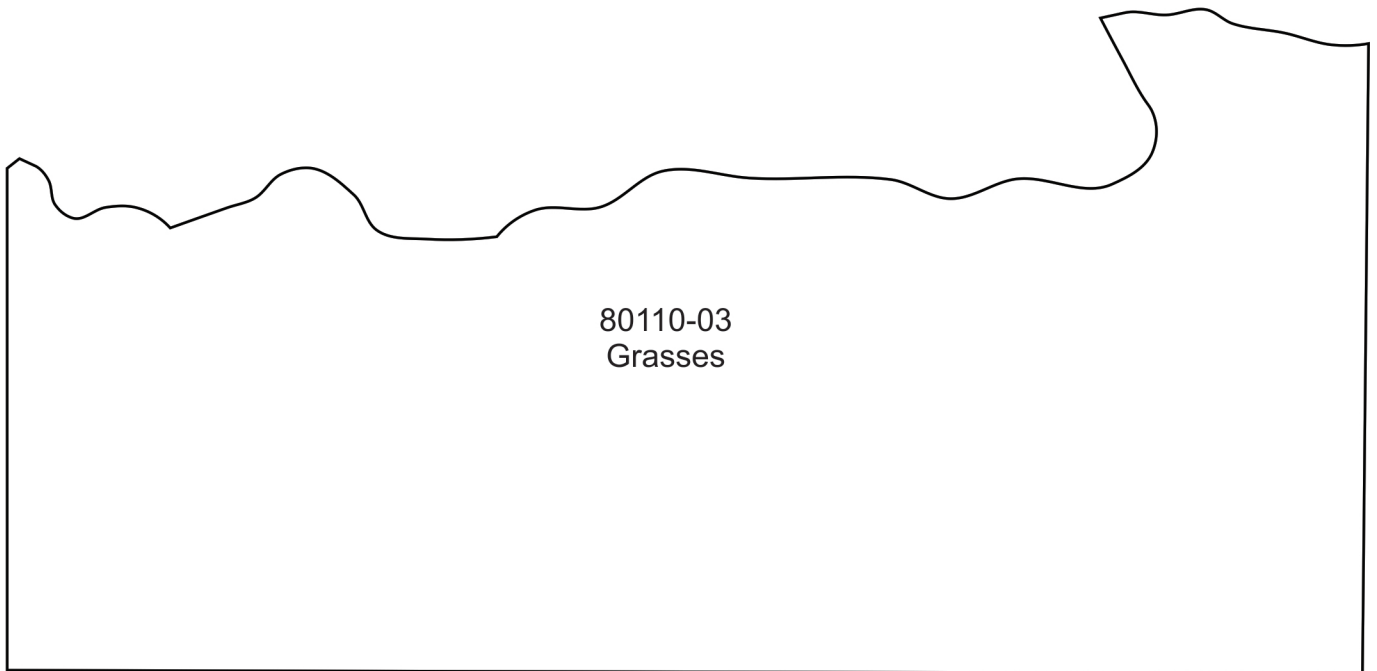

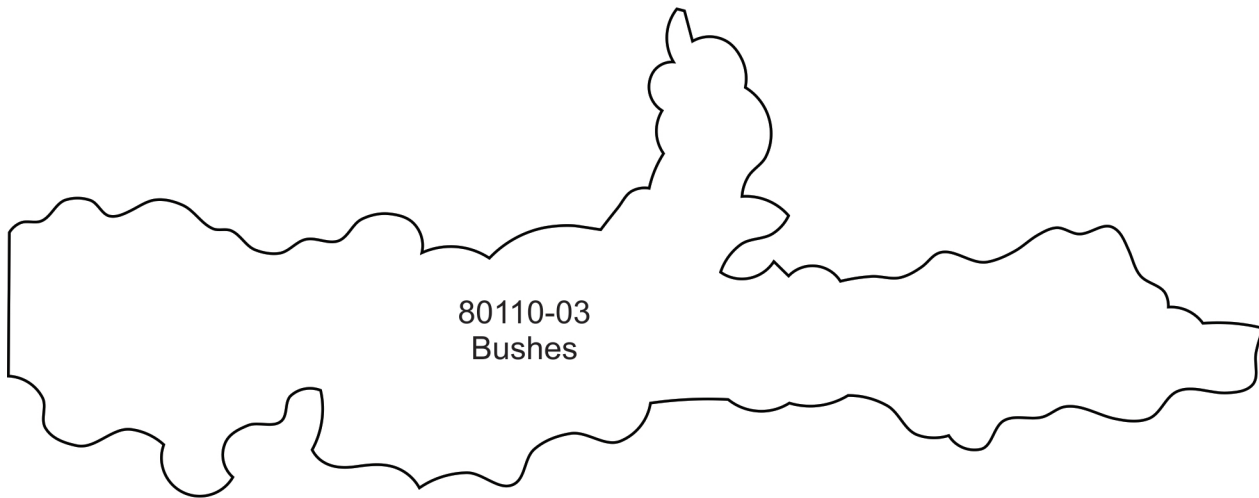

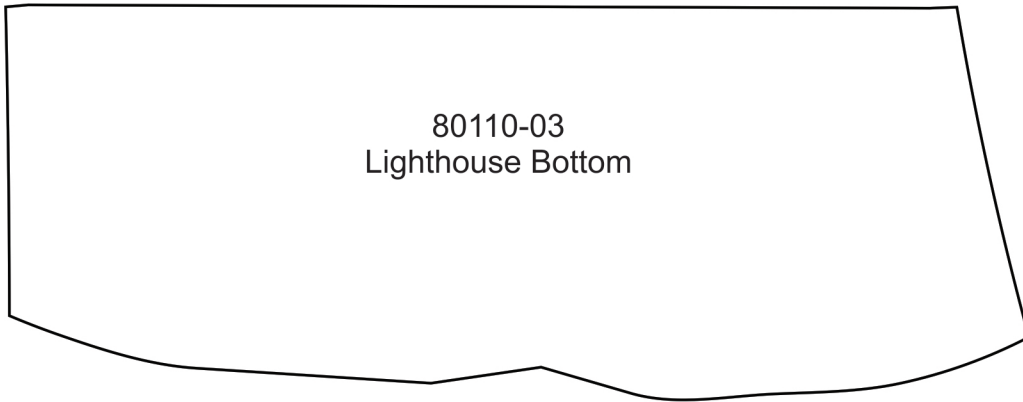

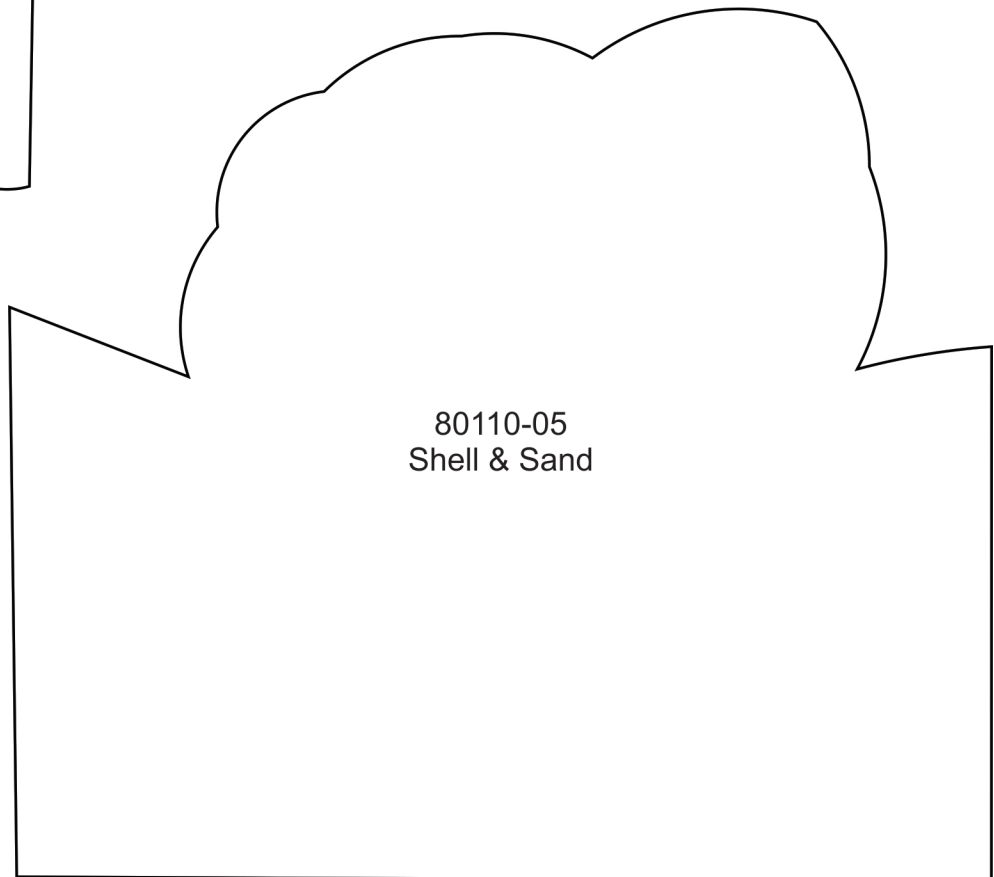

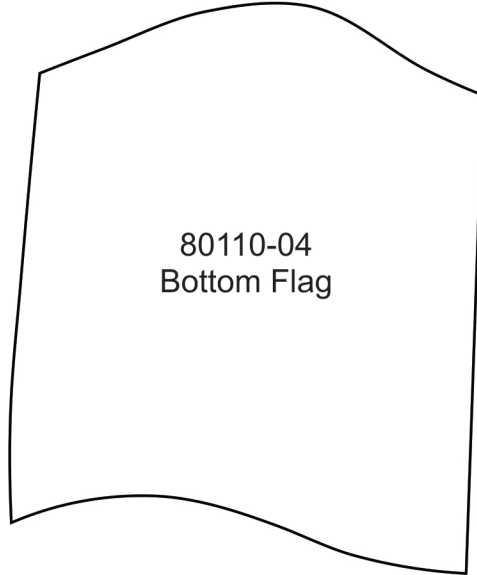

TO SAVE PAPER

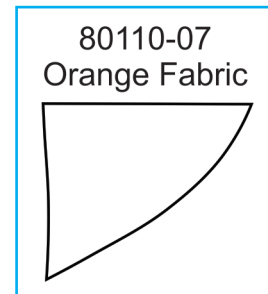

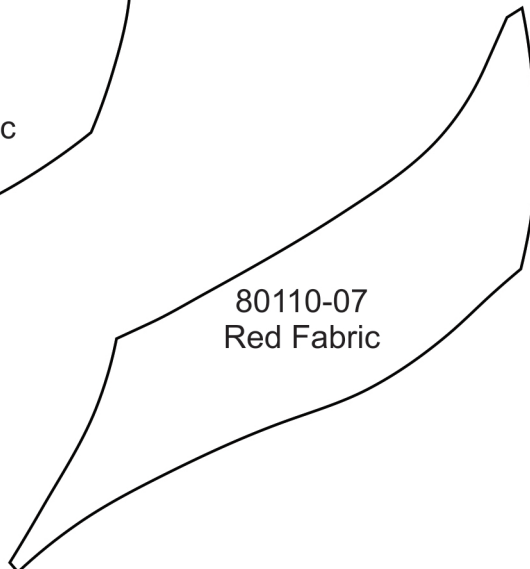

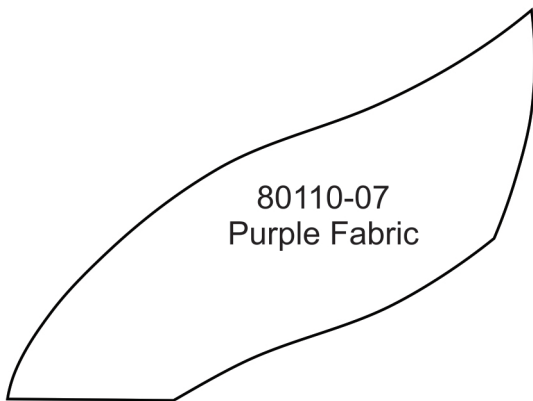

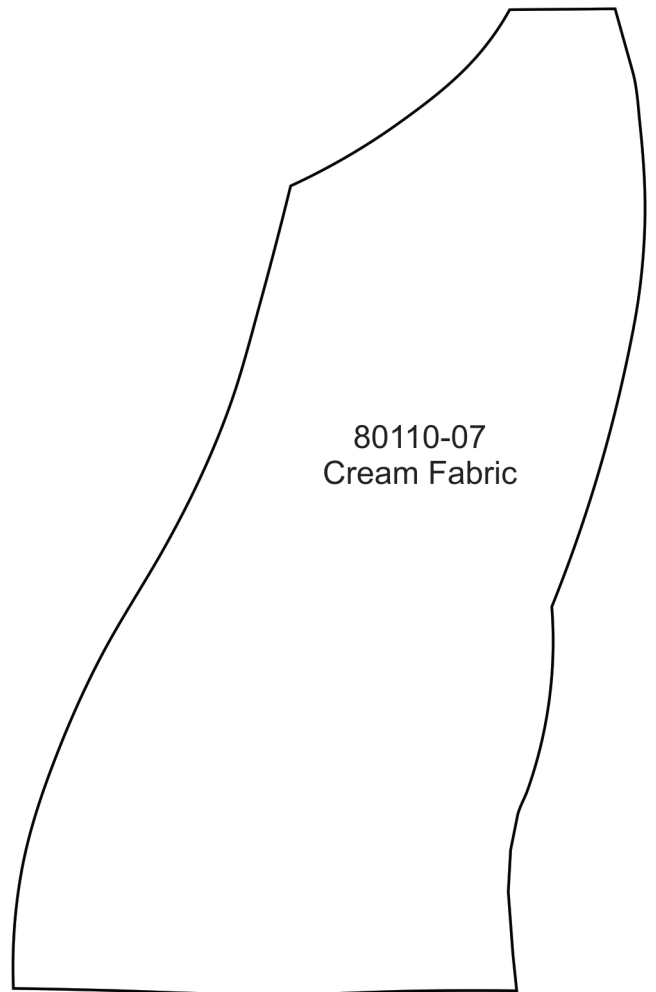

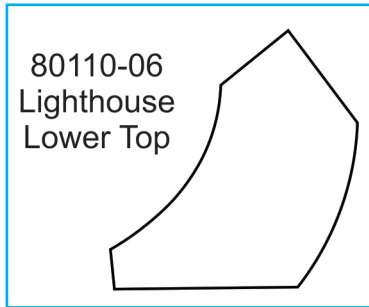

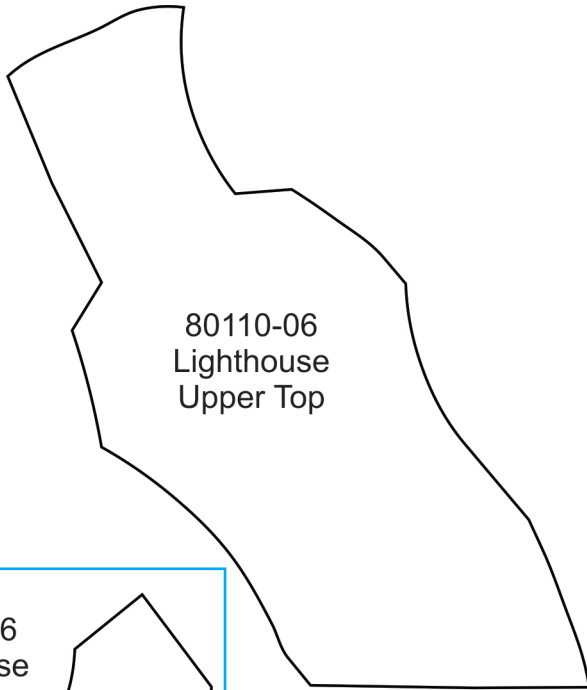

Only print the desired image by navigating to the image's page, go to File > Print and select "Current page" in the print dialog box. Repeat for each desired image.

Lighthouse Top

80110-37
Telescope

80110-39
Lighthouse

Supplies

- OESD embroidery collection Lighthearted Lighthouses by Nancy Barrett
- 2 yd. sky blue fabric (embroidered blocks)
- 2 ¼ yards of dark blue for sashing, backing and binding
- ¼ yard cuts of assorted colors, lavender, dark purple, yellow, light green, dark blue, sand, red, orange, magenta, sage, gray and white
- HeavyWeight Tear Away Stabilizer
- LightWeight Tear Away Stabilizer
- Appliqué Fuse and Fix Stabilizer
- Batting 39" x 50"
- Isacord embroidery threads

Embroidered Blocks

NOTE: Designs 80110-23 and 80110-24 have special instructions. **DO NOT TRIM** these designs as with the other designs. See special instructions below.

- Cut 40- 8 x 10 pieces from the light blue fabric. Hoop with 1 sheet of HeavyWeight Tear Away and 1 sheet of LightWeight Tear Away. Fuse Appliqué Fuse and Fix Stabilizer to the back of the fabrics being used for the appliqué pieces. Using the appliqué patterns in the design collection, cut out the appliqué pieces and press in place after each placement line is stitched in the embroidery of the designs. Trim all blocks **EXCEPT** 80110-23 and 80110-24 to ¼" to the outside of the seam stitch. Remove the stabilizer. All seam allowances are ¼".
- For designs 80110-23 and 80110-24 – trim the blocks to 8" x 5 ½", then remove the seam stitch – which is a longer stitch length on these designs to make it easier to remove.

Create the Rows

- Measurements will be given for each strip, but it is wise to cut them a little longer. They can then be squared up as the strips are sewn to the blocks and rows.
- From the dark blue fabric
 - Cut 3 strips 1 ½" x WOF (width of fabric)
 - Sub-cut into 4 - 1 ½" x 7 ½" and 8 - 1 ½" x 5 ½" pieces
 - Cut 9- 1 ½" x WOF
 - Sub-cut 1 strip into 6 - 1 ½" x 6" pieces
 - For binding, cut 5 - 2 ¼" x WOF
- Each lighthouse has three sections. Sew each of these together to create the lighthouses. Press the seam allowances open. See **PHOTOS 1 - 9**
- Sew the 7 ½" sashing strips to bottom of Lighthouse designs 88110-03, 88110-08, 88110-13, 88110-16, 88110-22 and 88110-27. **PHOTOS 10 & 11**
- Press the seams toward the sashing. Sew these together as shown in **PHOTOS 12, 13 & 14**.
- Sew fish 88110-17, 88110-18, & 88110-19 together. There are three fish. **PHOTO 15**
- Sew fish 88110-23 & 88110-24 together. There are 2 fish for this block. **NOTE:** The seam stitch will be removed for these fish. Cut as described above, then piece together with a ¼" seam. **PHOTO 16**

- Sew 5 1/2" sashing strips to bottom of flags, seashell, sailboat, anchor, the two fish blocks, seahorse and the sun. Sew these rows together as shown in the **PHOTOS 17 & 18**. Press the seam allowances towards the sashing.
- Sew a 1 1/2" x 6" piece of sashing to the 1 1/2" x WOF. Do this for all 6 pieces. Trim down to 48".
- Sew these sashing strips to right edges of all the rows. Sew a sashing strip to the left edge of row 1. Press seams. Now sew all of the rows together. **PHOTOS 19 & 20**
- Trim the last two pieces of sashing down to 37". Sew these to the top and bottom of the quilt. The quilt top is complete.

Finishing

- For a visual, refer to the picture of the completed quilt. Finished quilt is 37" x 48".
- Use the 5- 2 1/4" strips of fabric for binding. Piece and prepare for binding as desired. Use the remainder of the dark blue fabric for the back of the quilt. Approximately 39" x 50"
- Layer a quilt sandwich, by placing back wrong side up, cotton batting and the pieced top right side up. Use curved safety pins or temporary spray adhesive to baste the layers together.
- Quilt as desired. In our sample we stitched in the ditch and lightly meandered around the embroidered areas.
- Square up the quilt, this is trimming the quilt until the sides are equal. This prepares the quilt for stitching on the binding.
- Stitch on the binding as desired. For stitching on the binding the mitered corner technique was used.
