8x8 "i love 2 Create" Pouch

with 8" x 7" Pocket and 2" expandable Gussets

Use 1/4" seams throughout Edgestitch = 1/8" from edge
 RST = Right Sides Together WS = Wrong Side
 RSO = Right Side Out RSU = Right Side Up
 S&S = Soft & Stable foam batting or comparable

⊕ = Center of Fabric A and Center of embroidery
 A = Velcro placement symbol in Diagrams

Cut & Prepare:

Fabric A: For machine embroidery - Cut 14" x 24". Measure & mark center of Fabric A. Center & mark an 8 1/2" x 22 1/2" rectangle on those marks. Transfer measurements, fold lines, seams and embroidery placement centered on Fabric A, according to *Diagram 1* at left. Cut stabilizer to fit hoop, embroider individual designs. After embroidery is finished, check measurements if embroidery skewed lines, redraw lines if needed. Trim to 8 1/2" x 22 1/2".

◇ Sew Velcro to Right Side of Fabric A see *Diagram 1*.

Fabric B: Lining - Cut one, 8 1/2" x 14 1/2"
Gussets - Cut two, 3" x 14 1/2"

Soft & Stable (S&S): Cut one, 8" x 18" **or**

Fusible interfacing:
 Cut one, 8" x 22" and fuse, centered to Fabric A
 Cut one, 8" x 14" and fuse, centered to Fabric B

Sew:

Place **Fabric A** RSU, with "Create" at top. With RST, pin **Fabric B** Lining to **Fabric A**, so that top edges are even. Sew across top edge. Pin bottom edges RST, sew across to form a loop. Press seam open.

Diagram 2 - Pin sides together, with "Create" seam at top. Sew both sides, leaving a 4" opening to turn. Clip corners, turn RSO. Press in opening to match.

If using Soft & Stable, measure Pouch. If necessary, trim S&S to fit new measurements, then insert through opening. Work into corners, smooth out and press. Pin opening.

Diagram 3 - Topstitch across both fold lines and edgestitch both ends as indicated. Quilt if desired.

Diagram 4 - Fold each **Fabric B** strip in half RST to 1½" x 14½" for Gussets. Sew around with 2" opening to turn on long side. Clip corners, turn & press in opening to match.

Make sure bobbin color matches **Fabric A**. With Lining side facing up, pin folded edge of Gusset to each long edge (to reduce bulk). Edgestitch, backstitching at each end & catching the opening to close.

Diagram 3

Diagram 4

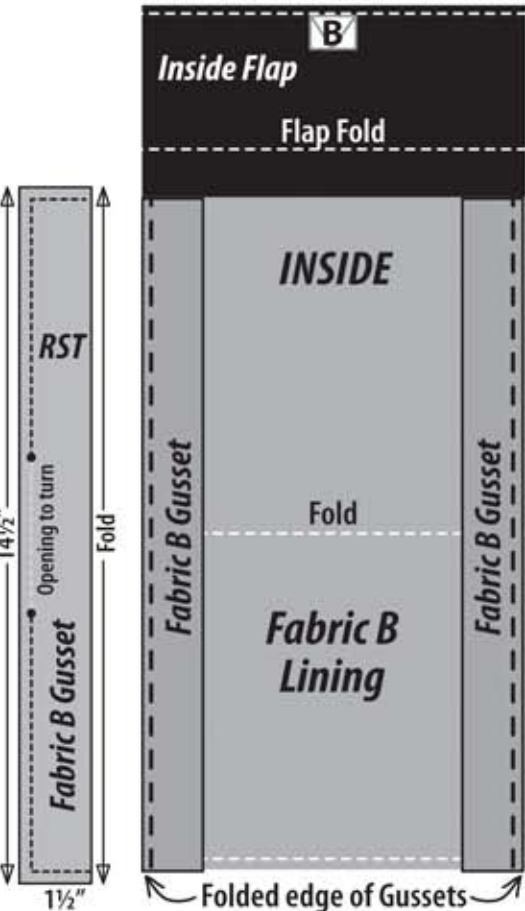

Diagram 5

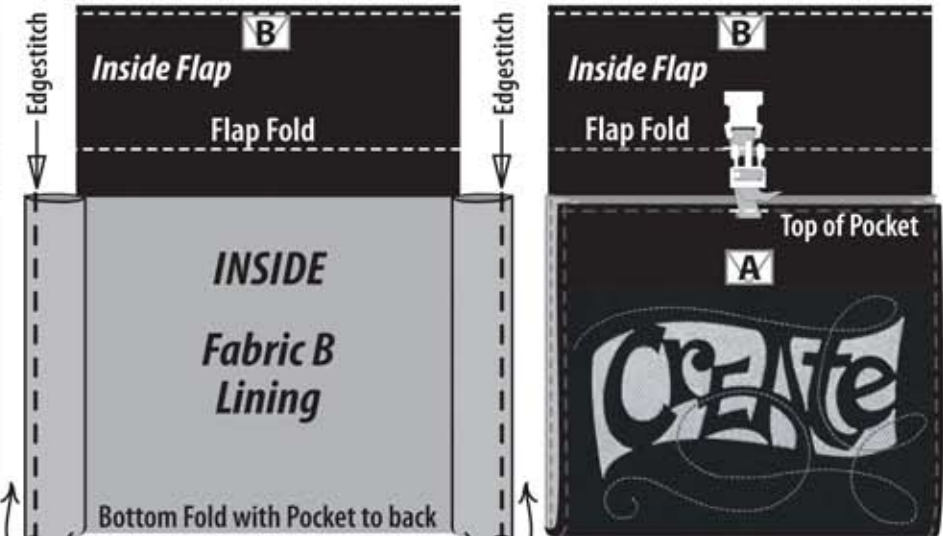

Diagram 5 - Pull Gussets out & fold **Fabric B** Lining & Gussets to back (inside out). Match up & pin Gusset ends. Starting at Pocket top, edgestitch to bottom fold of Gusset. Backstitch at beginning & ends. Turn RSO & press Gussets to inside.

Optional: Adjustable Buckle for top of Pocket. Fold each end of 6" Ribbon over twice & topstitch across each. Thread through the adjustable end of a side-release Buckle. Topstitch one folded end across stitching lines of Pocket top. Thread 4" Ribbon through other side of Buckle with ends even, sew across ends. Turn Ribbon inside out to cover ends. Topstitch folded end across stitching lines of Flap Fold.
