MATERIALS

Stabilizer

- 2 rolls Ultra Clean and Tear Stabilizer 15"
- 2 rolls of Fusible Woven 15" Black or White (or 1.5 rolls of 20")
- **Note** - These yardages assume that stabilizer and fabrics will be cut 10" x 15" for hooping. More or less fabric and/or stabilizer may be needed depending on the size hoop used or if more than one tile is stitched per hooping.

Fabric/Notions

- OESD embroidery collection 90009 Merry & Bright Tiling Scene by Shannon Roberts
- OESD bobbin thread
- Water soluble thread or invisible thread (optional)
- 3 1/3-yard black fabric for tiles
- Batting 32" x 40"
- 1 yard backing
- 1/3 yard fabric for binding, cut 4 strips width of fabric (WOF) x 2 1/2" strips and stitch together at 45° angle to make one long strip.
- Isacord thread per thread chart
- 505 Temporary Spray Adhesive
- Organ Embroidery Needles Sharps size 80
- Expert Point and Press Tool
- Perfect Embroidery Press Cloth
- Ruler, rotary cutter, mat

DIAGRAM

DIAGRAM

EMBROIDERY

Step 1

- Embroider one of each design files 90009-01 through 90009-32. For each hooping, cut the following 10" x 15", or large enough to hoop:
 - 1 piece of Fusible Woven
 - 2 pieces of Ultra Clean and Tear
 - 1 piece of black fabric
- Apply Fusible Woven to the back of the black fabric, per package directions.
- Baste remaining layers together with temporary spray adhesive. Hoop securely.

Step 2

- Using a rotary cutter and ruler, trim each block to 1/2" from the seamline.
- Remove excess stabilizer from the outer edges of the block but leave it inside of the seam stitch.
- Press each block, face down, into a Perfect Embroidery Press Cloth.
- **Tip:** After you finish each tile, place the number of the design on the block to help with identifying each block.

ASSEMBLY

Step 1

- The quilt is assembled in sections of four blocks, and these are stitched together to form the quilt. Focus on blocks that have important details, such as text.

Step 2

- Place two adjoining blocks right sides together.
- Stitch together along the matching edge.
- Use a seam guide to help you keep a consistent 1/2" seam, and stitch each seam a hair to the inside of each seam line.

ASSEMBLY

Step 3

- Use a ½" seam for all blocks and press all seams open. Using a ½" seam and pressing each seam open will help the quilt to lie flat when complete.
- **Tip:** Use the large ball end of the Expert Point and Press tool to help to open seams.

Step 4

- Stitch the remaining blocks. These are examples of how the blocks were sewn together.

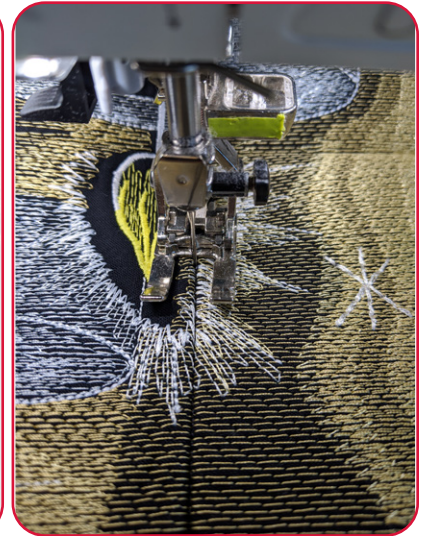

ASSEMBLY

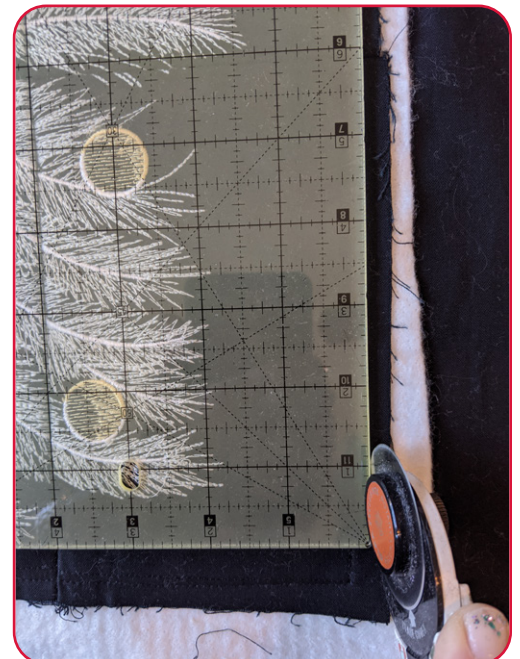

Step 5

- Layer the backing, batting and quilt top together. Baste all layers with temporary spray adhesive. Stitch in the ditch to quilt the layers together. Use a coordinating thread to blend with the quilt top.
- Use an edgestitch foot to improve accuracy.

Step 6

- Square up the quilt top, batting, and backing by trimming away the outer border to $\frac{1}{4}$ " from the outer seam line all the way around the quilt.

ASSEMBLY

Step 7

- Zig-Zag over the edge of the quilt to seal edges together.
- Attach binding as desired.
