General Instructions for Applique

- The applique instructions included in the design pack are general instructions for the collection. For demonstration purposes, a sample design from Collection #90021 Curiouser and Curiouser by Tula Pink is shown. Fabric and thread requirements will vary by design, but the general technique will be the same.
- Note: Some thread colors in instructions have been changed or digitally enhanced for better visibility.

Step 1

- In the example, 8" x 11" gray cotton fabric and 8" x 11" OESD Fusible Woven were used. Refer to the printed templates following these instructions as a guide to cutting applique fabric large enough to cover the placement stitch.
- Press OESD Fusible Woven to the wrong side of the applique fabric.

Step 2

- Hoop the desired stabilizer and fabric for the project, in the example 1 layer of Ultra Clean and Tear and 1 layer Heavy Weight TearAway were used with white cotton fabric.
