L = Design is larger than 5" (127 mm) in either direction.
S = Design is smaller than 1.5" (38.1 mm) in either direction.

Rose of Sharon Instructions

PREPARE FABRIC

- Iron chosen appliqué fabrics to remove wrinkles.
- Slightly stiffen appliqué fabrics by starching.
- Apply OESD Appliqué Fuse & Fix to the appliqué fabric by following the instructions included on stabilizer packaging.

CUT APPLIQUÉ PIECES

- Print required pattern pages for chosen design.
- Roughly cut out each pattern piece leaving approximately ¼” of paper to the outside of the patterns. (Photo 1)
- Lightly spray wrong side of patterns with temporary spray adhesive and adhere them to your prepared appliqué fabric. (Photo 2)
- Carefully cut out pieces by cutting directly on the pattern line. If you prefer to cut along the edge of the line cut along the outer edge rather than the inner edge.
- Set aside the precut pieces leaving the paper pattern adhered to them for now.

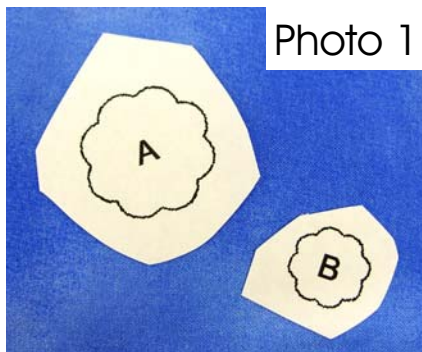

Photo 1

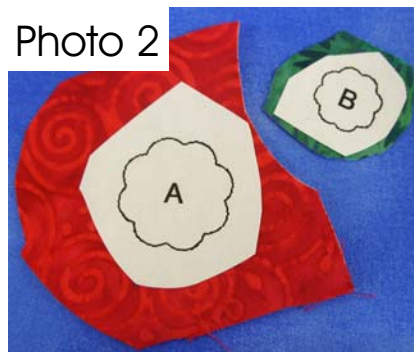

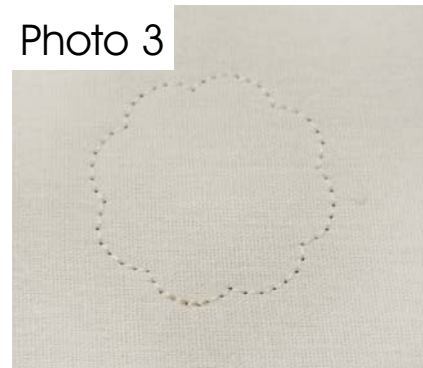

Photo 2

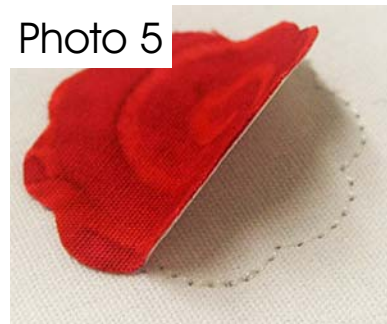

STITCH DESIGN AND APPLY APPLIQUÉ PIECES

- Hoop background fabric with stabilizer that is appropriate for fabric choice.
- Begin stitching design. When the thread chart calls for color number 0000 use a thread color that will blend with fabric that you will be sewing on top of. These will be your appliqué placement guide stitches (Photo 3)
- Refer to design diagrams to determine what appliqué pieces are placed where.

Photo 3

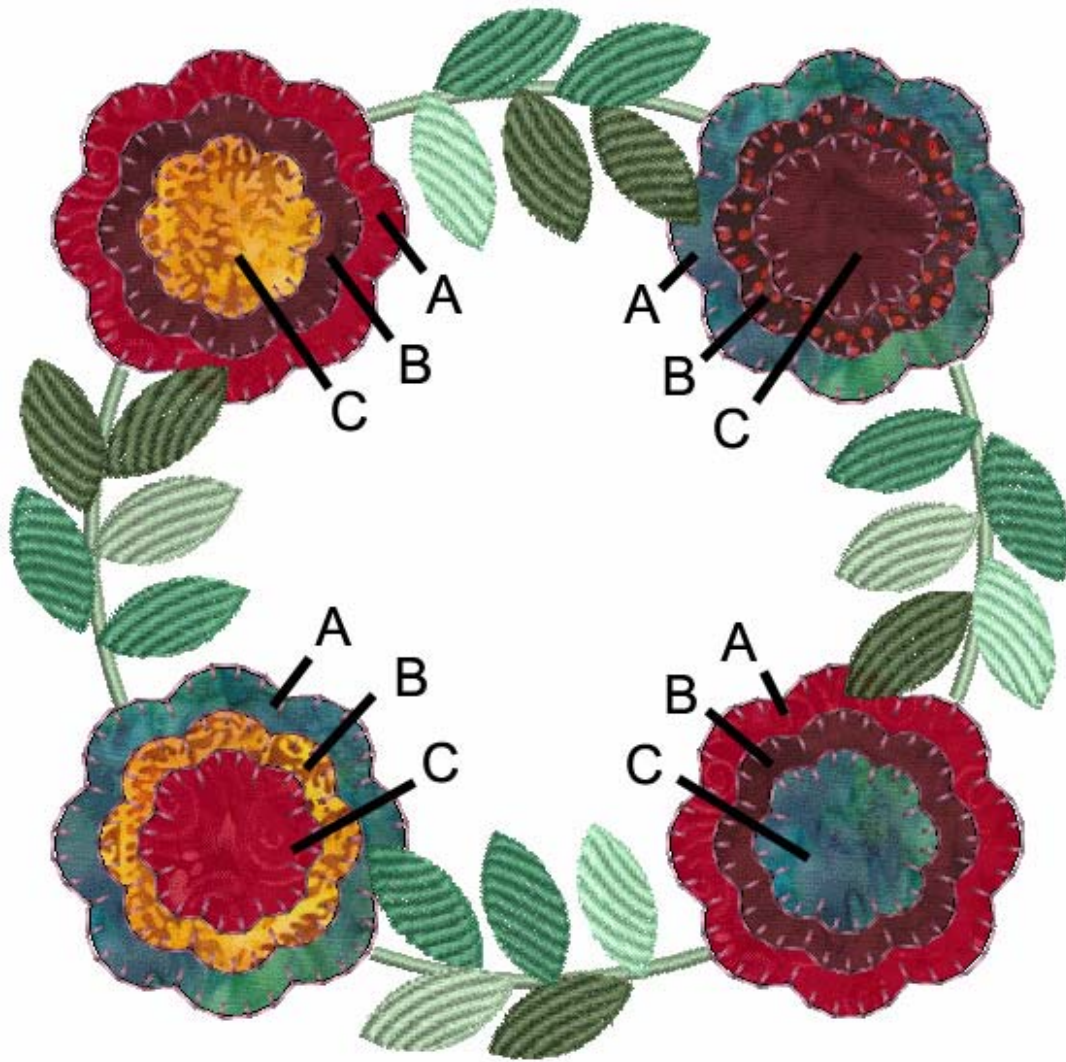

- Carefully peel off the paper pattern. If you find it difficult to remove, simply run a hot iron over it and allow to cool to a temperature that you can touch. (Photo 4)
- Carefully remove the release paper from the Appliqué Fuse & Fix and adhere to background fabric in appropriate place. (Photo 5)
- Continue stitching. (Photo 6)
- Repeat this appliqué process after every color number 0000 or appliqué placement stitch. (Photo 7)

IMPORTANT:

When printing this document, the “Fit to page” option must be UNCHECKED or the “Page Scaling” option must be set to NONE depending on your printers options. If this option is set incorrectly, the prints will not work correctly as patterns because they will not print at actual size.
