Supplies

- Embroidery thread
- Embroidery machine
- Heavy weight tear-away stabilizer
- Temporary spray adhesive
- Scissors
- Felt
- Cookie/lollipop sticks (wood or paper) (for designs 12470-10 and 12470-11)
- Buttons (for designs 12470-17, 12470-18, and 12470-20)

Instructions for Coasters and Tags

(Designs 12470-01 through 12470-09, and 12470-12 through 12470-15)

1. Hoop one layer of heavy weight tear-away stabilizer.
2. Attach hoop to your machine.
3. Stitch only the first color directly onto your stabilizer, this is referred to on the thread chart as Placement Stitch. **(Photo 1)**
4. Remove the hoop from the machine, but do not remove the stabilizer from the hoop.
5. Lightly spray the wrong side of one felt rectangle with temporary spray adhesive, and adhere to the hooped stabilizer, making sure to cover the Placement Stitch by at least $\frac{1}{8}$ " on all sides. **(Photo 2)**
6. Return the hoop to the machine and stitch the next color. This color is called Basting Stitch/Cut Line. Sew this in a thread color that contrasts with your fabric, as it will be cut away at the end of the design and needs to be visible for easier cutting.
7. Continue stitching the design, stopping before stitching the final color change, referred to on the thread chart as the Seam & Border.
8. Remove the hoop from the machine, but do not remove the stabilizer from the hoop.
9. Carefully turn hoop over to the wrong side.
10. Lightly spray the wrong side of one felt rectangle with temporary spray adhesive.
11. Adhere this rectangle onto the backside of your stabilizer, being sure to completely cover the Placement Stitch by at least $\frac{1}{8}$ " on all sides. **(Photo 3)**
12. Return hoop to the machine and stitch the final color change; this is called Seam & Border.

HINT: To keep the seam stitch looking nice on the backside of your project, use the same thread in the bobbin as was used for the top thread for this color change.
13. Remove the hoop from the machine and the stabilizer from the hoop.
14. Carefully cut the felt along the Basting Stitch/Cut Line. **(Photo 4)**
15. For all tag designs (12470-03 - 12470-09 and 12470-12 - 12470-15) use an eyelet punch or sharp scissors to make a hole to hang the tag by the inside stitched circle. **(Photo 5)**

Cut-in-Place Applique Instructions

1. Hoop your fabric and backing.
2. Sew the *Placement* stitch. **PHOTO 1**
3. Place a piece of applique fabric over the placement stitch so that it is completely covered.
4. Sew the *Cut Line & Tackdown*.
5. Carefully cut away the excess applique fabric. **PHOTO 2**
6. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 3**

Pre-Cut Applique Instructions

1. Print out the necessary pages from the PDF of the applique pattern(s).
2. Mark the right side of the pattern pieces so you'll know which direction to lay the pattern on the fabric.
3. Lightly spray the wrong side of the pattern pieces with temporary adhesive spray and allow it to set for a few minutes.
4. Place the pattern pieces on the right side of the fabric and carefully cut them out. **PHOTO 1**
5. Sew the placement stitch on your hooped fabric. **PHOTO 2**
6. With the paper still stuck to the right side of the applique fabric, spray the wrong side of the fabric with temporary spray adhesive.
7. Place the fabric inside the placement stitch, so that it completely covers the placement stitch and then remove the paper pattern. **PHOTO 3**
8. Sew the tackdown. **PHOTO 4**
9. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 5**

NOTE: The patterns are sized for the designs as they were made. If you resize the design, you will need to resize the pattern the same amount. You can print out the pattern at the normal size then copy it on a copy machine at the changed size. For example, resize the designs to 80%, resize the printed pattern to 80%.

TIP: When Printing the patterns, make sure that the "Fit to page" option is **UNCHECKED** in the Print Dialog Box. If this option is checked the printed patterns will not be actual size.

ATTENTION

When printing this document, any page scaling or page fitting options in your print dialog box must be turned OFF or set to NONE so that your files will print out at their actual size. Images not printed at actual size will not function as intended.

TO SAVE PAPER

Only print the desired image by navigating to the image's page, go to File > Print and select "Current page" in the print dialog box. Repeat for each desired image.

Instructions

Supplies

- OESD Embroidery Collection #12720 Holiday Dresden Applique
- OESD Heavy Weight TearAway stabilizer
- Cotton background fabrics
 - 2 yards white (20 hoopings)
 - 1 ½ yards green (16 hoopings)

NOTE: Yardages account for cutting pieces large enough to hoop in a 5 x 7 or similar hoop, approximately 10" x 14". Large or smaller hoops may require slightly more or slightly less fabric.
- Applique fabrics
 - ¾ yard light green
 - ¾ yard red
 - ¼ yard white
 - ¼ yard dark green

NOTE: Applique yardages assume that each applique wedge is cut from a rectangle. Fabric can be conserved by "nesting" applique wedges.
- Sashing fabrics
 - ⅓ yard red for sashing
 - 10" square light green sashing tiles
- Backing fabric
 - 1 ¼ yard red (cut to 40" square)
- Binding fabric
 - ⅓ yard (assuming 2 ½" strips for binding)
- 40" square batting
- Temporary spray adhesive
- Isacord embroidery threads

Prep Appliques & Background Fabrics

- Pre-cut applique shapes using the provided applique pattern. You will need:
 - 36 light green wedges
 - 36 red wedges
 - 20 dark green wedges
 - 16 white wedges
- Cut background fabrics. Each background piece should be large enough to hoop, approximately 10" x 14".
 - Cut 20 white background pieces
 - Cut 16 dark green background pieces

Embroider the Blocks

- Spray a hoop-sized piece of OESD Heavy Weight TearAway stabilizer with temporary spray adhesive and apply to the wrong side of a hoop-sized piece of background fabric. Hoop the background fabric and stabilizer together. Use the list below to determine which background fabric to use for each design. Stitch FOUR of every design.

○ **WHITE** background blocks:

- 12720-01 Holly Plate
- 12720-03 Stars Plate
- 12720-05 Bells Plate
- 12720-07 Poinsettia Plate
- 12720-09 Hearts Plate

○ **GREEN** background blocks:

Holiday Dresden Appliques

Instructions

- Stitch design according to the thread chart. After you stitch the placement stitch for the first applique wedge, lightly spray the wrong side of the applique fabric with temporary spray adhesive. Place the applique wedge onto the background fabric, aligning it with the placement line.
 - For **WHITE** background blocks, the applique placement order is:
 - 1st wedge: light green
 - 2nd wedge: red
 - 3rd wedge: dark green
 - For **GREEN** background blocks, the applique placement order is:
 - 1st wedge: light green
 - 2nd wedge: red
 - 3rd wedge: white
- The final color on each design is notated on the thread chart as *Seam Stitch*. This color change should be stitched in a thread color that will blend with the background fabric used for each design.
 - ***TIP:** Stitch the seam stitch using a dark colored bobbin thread to make it easier to trim the finished block later.
- Remove the hoop from the machine and the fabric from the hoop.
- Carefully trim all jump threads and gently remove excess stabilizer following the manufacturer's instructions.
- Repeat for all embroidery files, applying applique fabric where required. (Refer to applique instructions if needed.)

Assemble the Blocks

- Turn each block over and trim to 1/4" outside the seam stitch.
- Stitch the four designs of each plate together with a 1/4" seam, matching the edges of the wedges together to form a plate.

Assemble the Quilt

- Refer to the quilt diagram to assist with assembling the quilt.
- Cut the sashing fabrics:
 - 12 - 10 1/2" x 2 1/2" red
 - 4 - 34 1/2" x 2 1/2" red
 - 8 - 2 1/2" light green squares
- Stitch together the block rows, adding a 10 1/2" strip of sashing between each block.
- Stitch two sashing rows with light green center squares.
- Stitch the sashing rows between the block rows.
- Add a 34 1/2" strip to the top and bottom of the quilt.
- Add a light green square to each end of two 34 1/2" strips.
- Sew the strips with the corner squares to the right and left side of the quilt.

Finish the Quilt

- Layer the quilt back, batting, and top. Adhere all layers with temporary spray adhesive. Center the top as it will be slightly smaller than the back and batting.
- Quilt as desired.
- Trim the batting and backing to match the edge of the quilt top.
- Cut the binding fabric into 2 or 2 1/2" strips and bind using your favorite method.

Embroider

NOTE: Use your embroidery machine or embroidery software to create the desired monogram. For a traditional monogram, bring in the last name monogram first and enlarge about 15-20%. Then, bring in the first and middle initials and place on either side of the last name monogram. For a name, use the fancy monogram for the first letter and then the satin letters for the rest of the name in a smaller size. For example, we used Mom in our stocking.

- Hoop embroidered cuff fabric and two pieces medium weight tear away. Embroider the monogram. Remove the hoop from the machine and the fabric from the hoop. Carefully remove the stabilizer. **PHOTO 1**
- Keeping the monogram centered, cut out the cuff pattern. **PHOTO 2**

Assemble: $\frac{1}{2}$ " seam allowance

- Right sides together, stitch the front and back cuff on each short side to create a tube. Repeat with the cuff lining.
- Press seams open. Place the cuff and the cuff lining right sides together matching the seams. Stitch along the bottom edge. Press and turn to right side. Set aside. **PHOTO 3**
- Right sides together, stitch stocking pieces, leaving upper edge open. Trim seam allowance and clip curves. Turn right side out. Press. **PHOTO 4**
- Right sides together, stitch lining pieces, leaving upper edge open. Trim seam allowance and clip curves. Leave wrong side out. **PHOTO 5**

- Wrong sides together, insert lining into stocking, matching seams. Baste raw edges together. Set aside. **PHOTO 6**
- To make hanger: Right sides together, fold in half lengthwise the hanger fabric piece. Stitch. Trim excess seam allowance. **PHOTO 7**
- Turn strip right side out. Press with seam in center back. **PHOTO 8**
- Fold hanger in half to form a loop. Pin to inside of the stocking at the heel seam. The edges of the hanger will match the top edge of the stocking. Baste hanger in place. **PHOTO 9**
- Pin and place the right side of monogrammed cuff to inside of stocking matching raw edges. The front embroidered cuff area should “kiss” the front lining of the stocking, and cuff seams will match the stocking seams.
- Stitch. Press seams to stocking. Turn cuff to outside of stocking. **PHOTO 10**
- Your monogrammed stocking is complete.
