- Per thread chart

OeSD™ DESIGN PACK

General Instructions

The card instructions included in the collection are general. A sample card design that best demonstrates the technique is shown for demonstration purposes. Thread requirements will vary by design.

Note: Some thread colors in instructions have been changed or digitally enhanced for better visibility.
☐ Step 1

- Hoop one layer of StabilStick TearAway paper (shiny) side up.
- Use a pin or needle to score the paper.
- Remove the paper to reveal the adhesive surface.

☐ Step 2

- Load selected design into the machine.
- Design in the example is PK10001-02L.
- Thread the machine per the thread chart.
- Stitch Machine Step 1, Card Placement Guide.

OeSD™ DESIGN PACK

Step 3

- Place the front of the card face up within the Card Placement Guide, lining up all edges.

Step 4

- Stitch the remaining steps per the thread chart.

Step 5

- Remove the hoop from the machine.
- Remove the card and stabilizer from the hoop.
- On a flat surface, fold the stabilizer back and carefully cut the stabilizer away, close to the stitching.
- Note: Cutting away the excess TearAway stabilizer prevents bending or creasing the cardstock.
☐ Step 6

- Cut coordinating cardstock (or scrapbook paper) slightly smaller than the front of the card.
- Cut a piece of Fuse and Seal to fit. Following the package instructions, iron the Fuse and Seal to the wrong side of the cardstock (scrapbook paper).
- Let cool completely.

☐ Step 7

- Place the card, front side down, onto a Perfect Embroidery Press Cloth.
- Remove paper from Fuse and Seal.
- Place the cardstock (scrapbook paper), right side up, onto the wrong side of the stitching.
- Iron to fuse to the card.
- Let cool completely.

## ☐ Step 8

- The card is complete. Enjoy!
OESD™ DESIGN **PACK**

Step 1

- 2 cards folded to 5" x 7"
- Cut one card in half on the fold.

Step 2

- Hoop 1 layer of OESD Medium Weight TearAway stabilizer.
- Load selected design into the machine.
- Design in the example is PK10001-03L.
- Thread the machine per the thread chart.
- Stitch Machine Step 1, Card Placement Guide.

Step 3

- Place 5" x 7" piece of cardstock within the Card Placement Guide, lining up all edges.
- Tape in place to secure.
- Note: Expert Embroidery Tape TearAway will not leave residue on the paper or tear the cardstock.

OESD™ DESIGN **PACK**

☐ Step 4

- Stitch the remaining steps per the thread chart.

☐ Step 5

- Remove the hoop from the machine.
- Remove the card and stabilizer from the hoop.
- On a flat surface, fold the stabilizer back and carefully cut the stabilizer away, close to the stitching.
  Note: Cutting away the excess TearAway stabilizer prevents bending or creasing the cardstock.

☐ Step 6

- Cut 1 piece of Fuse and Seal slightly smaller than the size of your card.
Step 7

- Following the package instructions, iron the Fuse and Seal to the wrong side of the embroidered card.
- Let cool completely.

Step 8

- Once cool, remove the paper backing.

Step 9

- Place the embroidered card over the front of the second card.
- Iron to fuse to the card.
- Let cool completely.

OeSD™ DESIGN **PACK**

☐ Step 10

- The card is complete. Enjoy!
