- Place the hoop on a flat surface.
- Completely cover the placement stitch with one piece of felt.

EMBROIDERY

- Match bobbin to top thread.

□ Step 7

- Return the hoop to the machine.
- Stitch Machine Steps 3 and 4.

ASSEMBLY

Step 8

- When the design is complete, remove the project from the hoop and trim just inside of the Felt Cut Line stitching.
Note: It is important to cut just to the inside the outer stitching (Cut Line) because the ornament will be stuffed, and the stitches have to be removed from where the opening is.

Step 9

- Insert the 4 mm tip into the Perfect Punch and punch a hole where desired.

ASSEMBLY

□ Step 10

- Press right side down on a Perfect Embroidery Press Cloth.

□ Step 11

- Use the Alligator Clamps to stuff a small amount of stuffing into the ornament.
- Sew the opening closed.

□ Step 12

- Use the Alligator Clamps to pull the ribbon loop through the ornament.
- The project is complete. Enjoy!
