EMBROIDERY

General Instructions

The applique instructions, included in the collection, are general instructions. For demonstration purposes, a sample design that best demonstrates the technique is shown.

Fabric and thread requirements will vary by design, but the general technique is the same. These instructions use images from 12930 Magic Potion Labels.

Note: Some thread colors in instructions have been changed or digitally enhanced for better visibility.

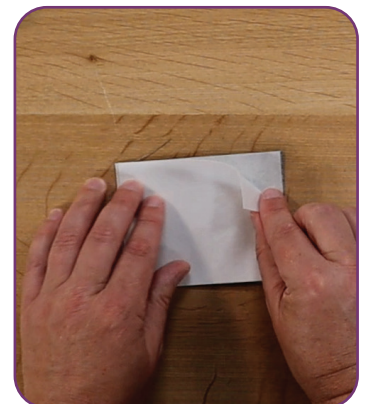

Step 1

- Hoop two layers of BadgeMaster for all designs.

Step 2

- Adhere two layers of StabilStick CutAway to the wrong side of applique fabric.

EMBROIDERY

General Instructions

□ Step 6

- Remove the hoop from the machine, but NOT the project from the hoop.
- Trim the excess fabric as close to the cut line as possible. If the outermost stitches (cut line) are cut, the inner stitches (tackdown) will hold the applique in place.

Tip: If the BadgeMaster is cut or a hole is created while trimming the fabric, use OESD Expert Embroidery Tape WashAway as a patch.

□ Step 7

- Return the hoop to the machine and stitch the remaining machine steps, according to the thread chart.
- Remember to match the bobbin thread to the upper thread.

ASSEMBLY

General Instructions

Step 8

- When the design is complete, remove the project from the hoop and gently tear away the BadgeMaster, one layer at a time.
- Rinse each piece in warm running water until the design is only slightly tacky.
- Lay right side down on a non-stick surface to dry. Parchment paper or a cooling rack work well to prevent curling. Dry completely.

Step 9

- Trace the applique shape or print mirrored version of the template on the paper side of Fuse and Seal.

ASSEMBLY

General Instructions

□ Step 10

- Cut just inside the outline.
- Following the package instructions, iron the Fuse and Seal to the wrong side of the applique.
- Cool completely.

□ Step 11

- Remove the paper from the Fuse and Seal.
- Place the design on the project and press to adhere.

□ Step 12

- Enjoy!
